

VISION

We see some Coors Light scarfs being waved in the background too. Our hero falls back into his seat, surrendered to his emotions.

Super: The official Beer of Keeping anxiety... (a animation of the word F appears before Anxiety) Chill

Mountain Cold Refreshment  
Made To Chill + Sponsor of Leagues Cup

An extra idea for the ending.  
We could hear the sports journalist saying "no vale, hay que volver a patear" (it doesn't count, they have to take the shot again) indicating that there is still more excitement to come. And Pedro's mood shifts back to fanxiety, leaving the door open for more Coors Light to come.
